Circular

To,

Hon. Vice-Chancellors/ Registrars/ Directors/ Principals of all Colleges

Respected Sir,

Greetings from **Dharohar-Center for Indian Knowledge System-Gujarat Technological University.**

As you know Gujarat Technological University is the pre-eminent university of India and a well-renowned center for Innovation, Entrepreneurship, Research, and Education. Currently, GTU has become the largest public university of the state of Gujarat with more than 400,000 students, 17,000 faculties, and 428 colleges located across the state, and the University with the highest number of Foreign Students. GTU caters the undergraduate to Doctoral Research programs and post-doctoral Research Fellowship in five major domains i.e. Engineering, Management, Pharmacy, Computer Application, and Architecture.

As per the National Education Policy 2020, Gujarat Technological University established its center for IKS in June 2021. **Dharohar CIKS- GTU** has become one of the pioneer centers in technological universities to initiate certificate/ Diploma/ PG diploma courses and workshops for IKS in association with many national organizations and Institutions from various states of India.

For the smooth conduct and constant amelioration, we have selected names of erudite personality from various domains of knowledge as our advisors and academic partners. We are starting a **Lecture Series named "Bharat-Tirth"** from the month of June 2022. This series will increase the understanding of importance of IKS and its role in imparting knowledge in modern context. The vision of Dharohar is to increase the spread of Indian Knowledge System among academicians and young generations. GTU Dharohar with larger perspective and vision is working for creating awareness and wishes to attract academicians towards the rich heritage of Indian culture and traditions in science and technology and all fields of knowledge in Ancient India.
