“BHARAT - TIRTH”

आ नो भद्राः क्रतवो यन्तु विश्वतः
We invite good thoughts from all over the World.

REPORT

Dharohar Center for Indian Knowledge System – GTU had arranged the 4th Lecture of the “Bharat-Tirth” Lecture Series on the topic “Rocket Engineering in Vedas” on 18th November 22.

This lecture was delivered by Dr. Mitul Trivedi, the renowned scientist of NASA and ISRO. His thrust area was how technologies in Vedic periods were advanced and we can learn and research our Vedas to develop more application based technologies based on our scriptures which are not mythologies but they are accounts of our history. Mr. Trivedi explained students and the faculties to explore the topics for innovations and application based research which can be helpful to us in preservation of environment, space science and other relevant issues of present. Dr. Kher the Registrar advised students to look forward in this new direction. Dharohar Head, Dr. Shruti Anerao extended her vote of thanks to the chief speaker.
