We invite good thoughts from all over the World.

REPORT

On 8th May 2023, the 7th lecture of the Bharat Tirth Lecture Series was held on the topic "Wonders of the Universe". The lecture, organized by Dharohar – CIKS - GTU, aimed to explore the mysteries and marvels of the universe. The lecture was delivered by Shree Tanmay Vyas, an ISRO-recognized space tutor, who took participants on a mesmerizing journey through space, discussing celestial bodies, galaxies, black holes, and other phenomena. The lecture was accompanied by visually stunning presentations and illustrations. The event was graced by the presence of esteemed guests, including the Hon. Registrar Shri K. N. Kher, directors of schools, faculties, and students from GTU schools. Dr. Shruti Anerao, Head of Dharohar, played a pivotal role in organizing the lecture series. She introduced the guest to the audience and explained the importance of asking questions to study a subject and find out some innovative ways which can lead them to research. The lecture by the speaker Mr. Tanmay Vyas not only awakened the curiosity among the audience but also left attendees enlightened and inspired, with a deeper appreciation for the marvels of the universe and the endless possibilities it holds. The guest speaker was felicitated by shawl and memento by the head of Dharohar. Dr. Ankit Raval extended a vote of thanks to those present in the hall.
