## Report of Certificate Award Ceremony-II

Dharohar – CIKS has completed fourth batch of Short-term Certificate courses. The “Certificate Award Ceremony-2” was organized on 18th December 2023. Participants were very much excited about receiving their certificates and so they turned up at GTU campus from various parts of the Gujarat. As these were online courses, they were eager to meet their co-students. Here in this event, they got a chance to meet one another and interact with one another. More than 55 students personally came to receive their certificates.

Hon. Vice Chancellor Dr. Rajul Gajjar Madam emphasized the importance of Indian Knowledge System and multidisciplinary courses at Technological University. Madam also advised them to continue their study and utilize these courses for employment or with advanced level courses.

The chief guest Dr.Rakesh Raval, the Head of International Studies and DVIKAR, Gujarat University, also explained elaborately what the role of IKS is and how it can change their life and why they should pursue research in Indian Knowledge System. Through Research and Analysis all claims can be validated with evidences and we can established the truths of scientific advancement of India in past. .

Prof. Shruti Anerao also explained how research in IKS can provide scope to academia and can provide the solution to the issues of unemployment too. Indian wisdom can lead the world to peaceful and harmonious life. More than 160 students had successfully completed courses in last two batches, under Dharohar Centre like - Study of Vedas, Upanishads, Purana, Astrology, The Gita, Vastu Shastra, Numerology and Palmistry and Science in Veda. Dr.K.N. Kher – Registrar of GTU had remained present and graced the occasion.
