## REPORT

Culture is a way of living for people. It goes a chaining so it is like a flow of a river. This certificate course is focusing about the peculiarities of Indian Culture which aims to synthesize and establish correction of the human being with its creator. This also discusses about the basic tenets of Vedanta philosophy, various aspects of culture, dynamism of culture, torch bearers of cultural traditions, culture in Adi Shankara's time's state of India in the Pre-British period, etc.

The course gives a complete idea of Indian culture and traditions that affected lives in Ancient times as well as in Modern times.
